

## ADS-B for General Aviation

CFII and FAASTeam Rep Adam Lockamy will answer common questions about ADS-B. Questions such as: "What is ADS-B? What can it do for me as a pilot?" Don't miss this one! If you want to get more out of your avionics, including iPad, this is a chance to better understand the capabilities of this FREE service, including in-cockpit weather and traffic. This seminar is for YOU!!!

**Directions:** Drive In: Park in main terminal parking lot. Enter through door marked 'Jet Center Conference Room'. Fly In: Park on 'Tower Ramp'. Follow signs to Jet Center Conference Room.

### A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
